Accommodation, seminars and exchange events facilities are available for young people. These facilities are also open to the general public.

We offer discounts for a group of youth and overseas guests.

Reservation service is available

Type	Special Use	General Use
Conference and accommodation (staying overnight)	1 year prior to the date	6 months prior to the date
Conference facility only (without staying overnight)	6 months prior to the date	5 months prior to the date

Special offer for international guests

Regarding accommodation fee, Special Use category is applied to overseas guests. (Non-Japanese citizens with no fixed address in Japan are obliged to show their passports and submit the copies of them by law when staying at the accommodation facility.)

Terms and conditions for Accommodation

Please note that the date when a reservation service becomes available and a room charge differ in the case that youths use the facilities for training and interaction programs (Special Use) and the case that general people use the facilities (General Use). "Special Use" shall fall under all the terms and conditions as follows.

1. The objective of a gathering is training and/or interaction for youth.
2. A group consists of 4 or more young participants.
3. When a group includes members who are not categorized as youth, youth members account for the majority of the group.
4. A gathering is a non-profit program.
5. A group uses a meeting room and/or Seminar / overnight room of Hiroshima International Youth House.

※ "Youth" here represents a person at the age of 15 to 30 or a non-Japanese citizen with no fixed address in Japan.
